language english abstract the translation of a text from one language into another is a science of its own especially within literary works the standards a translator has to meet these days are high and it is therefore hard to take as a coincidence that the great gatsby scott fitzgerald s most famous work has been translated into german three times up to now this remarkable number of translations for a book written not even a century ago might have something to do with the expectations the translator has to satisfy and which tend to be quite exalted when a lot of readers who are not familiar with the language of the original work and many publishers who are aware of the fact that the translated work often sells better than the original await its translation eagerly once the translation is published the question of the authenticity of how much of the author the translated book still contains is a common problem especially in the critique and the feuilleton but also among a books major recipients the common readers everybody that ever had the chance to have a thorough talk with a foreigner about a literary work known to both sides might have come across the phenomenon that certain aspects of that book were perceived in different ways maybe the irony of a main character suddenly bordered sarcasm maybe his felicitous language did not sound eloquent at all or maybe the character s whole appearance was bathed in a slightly different light the aim of this term paper is to analyse if there are such differences between two versions of the great gatsby furthermore if and to which extent they can influence the perception of a character and finally to analyse how such aberrations can come into existence

who is this gatsby anyhow answering that question voiced by one of the book s characters is fundamental to teaching f scott fitzgerald s the great gatsby although there is no simple answer classroom analysis of this classic american novel can lead to a rich exploration of the colorful yet contradictory period fitzgerald dubbed the jazz age the novel also prompts considerations of novelistic technique specifically point of view characterization and narrative structure this volume aims to give instructors of the great gatsby multiple tools and strategies for teaching the novel and for introducing students to the culture of the 1920s part 1 materials reviews the novel s composition history and the scholarly resources related to the novel in part 2 approaches contributors demonstrate a range of frameworks that usefully inform teaching from the new historicism to feminist and gender studies to narrative theory they also examine the novel s complex artistry variety of motifs and symbol patterns and cultural and social influences such as the era s changing racial attitudes the rise of a new suburban culture and the dichotomy of east versus west in america

seminar paper from the year 2016 in the subject american studies literature grade 2 3 university of constance course british and american studies language english abstract who is this gatsby anyhow demanded tom suddenly some big bootlegger at this moment in the novel nobody would have guessed that tom was right during the time of prohibition many newly rich people earned their money from the bootlegging business selling illegal alcohol out of their back doors and jay gatsby is one of them but is gatsby s economic success nevertheless a realization of the american dream it is important to ask that question because often the great gatsby is mainly associated with the american dream and its typical lifestyle parties money expensive cars and women dressed in the typical fashion of the golden twenties but there is much more behind jay gatsby s story how did he make his way up to the top and how important is wealth success and his

social status really in his opinion in the following those questions will be given a closer look at at first a definition and the history of the american dream will be given then there will be some general information about the prohibition the next point is about gatsby s wealth and his success with a special focus on his illegal affairs afterwards gatsby s reputation in society also concerning his wealth and illegal means will be analysed at the end the results will be summarized and an answer to the question whether gatsby s economic success is a realization of the american dream will be given in the conclusion

one of the most peculiar features of municipal politics in canada is how frequently local politicians activists and scholars disagree about how to describe the municipal arena for some municipal politics is distinct from other levels of government a world of non ideological elections pragmatic and technical policymaking and issue by issue policy coalitions others argue that municipal politics is similar to politics at other scales with persistent axes of political disagreement and a recognizable left and right this recurring debate features prominently in municipal election campaigns across canada in ideology in canadian municipal politics jack lucas investigates municipal ideology in canada using data from original surveys of municipal politicians and the canadian public the book reveals how municipal politics is clearly structured by left right ideology it shows that municipal politicians represent their constituents ideological preferences quite well they understand their constituents ideological perspectives they align with their constituents preferences and they are elected in part because of their ideological alignment with voters a lively and accessible study ideology in canadian municipal politics will appeal to readers interested in municipal politics political ideology and political representation

bachelor thesis from the year 2014 in the subject film science grade 1 3 friedrich alexander university erlangen nuremberg american studies language english abstract a tendency in the realm of gender studies has been to mainly concern oneself with gender whereas the same can be claimed in terms of class analysis showing a tendency towards primarily and exclusively dealing with class this study tries to combine both fields in an attempt to not only expose how present forms of masculinity are established but also how these forms interact with class in addition to crenshaw s intersectionality theory pyke s concept of interpersonal power and connell s theory of hegemonic masculinity will be dealt with the synergy between masculinity and class will be scrutinized by means of two movie adaptations of the great gatsby 1974 2013 it will be shown that factors such as social and geographical mobility career and the need or ability to display class marked objects as well as the male body can be identified as producing and helping to maintain multiple forms of class based masculinity as well as shaping and changing these masculinities
